This Wednesday night, Sam and Becca Gunti will be here with Good Life Ministries at 7:00.

May 7 is our scheduled fellowship meal.

May 12 is LMCS Graduation.

Well ladies, we didn’t quite get the quilt done. Hopefully, we can finish it this Wednesday, April 26. There are also comforters to knot. This will also be the last time this school year that we will be serving lunch to the teachers and students. Because of the service that evening, it will probably be a short day.

A huge “THANK YOU!” to everyone who came and supported “The Robe”, either monetarily or with your time and energy. It means a lot to us!

Due to the program on Wednesday night, we will be taking the set down on Thursday afternoon/evening instead. We will begin right after school. Any help is appreciated!

With the busyness surrounding the play, we forgot to make a box for Rolanda Good. If you have stuff to send, bring it Wednesday or Thursday night, and we will get it taken care of and sent.
